“ Love to everyone ...

*From my dad:*

*“When I was young and foolish, I flipped over my brother Steve's sports car.*

*It was badly damaged and I thought it was totaled. But we brought it home from the junk yard, put it in the garage, and there Bob restored it to look like new. He surprised me then; he surprised me throughout his life with his grace and resolve when faced with hardships.*

*Finally, when mom passed, he surprised me with his eloquence in the beautiful remembrance that he wrote.*

*Bobbers, I hardly knew ye.”*

*The Picture is from Christmas 1976*
