“ *I will forever hold Robert in my memories . Though I only knew him for a few years , I knew him to be a good honest man. Never mind that he hilariously picked on me in the office, he supported me in more ways than one. He will be missed for sure. I only wish I had known him longer. My love and prayers to his family.*

Geri, just scrolling through all of the photographs of moments shared with your precious family is such a great reminder of the person Robert always was. You two built a strong and Godly family and his legacy will live on for generations. I love you so much my sister/cousin and wish that I could be there with you all.

Please know that my heart is with you, especially during the visitation when greeting friends and family. Please take care of yourself. Love, Mavis
