“ *So sorry to hear of your Father's passing. Our prayers for you and the rest of the family. I see by the obituary he served in the Naval Reserves for eight years. I wonder if by chance he drilled at the Naval Reserve Center in St Pete? I drilled there from 1972 - 1989. God bless all.*

“ Dear family,  
My heart goes out to you in your time of loss. Mr. Bob was a long time member of Lake Talquin and a vital part of our Deacon and Men's ministry. He was a true brother in Christ who exemplified integrity, service, and generosity. He was a gifted carpenter and had a wonderful "dry" sense of humor. I will always remember the "to scale" Bronze Laver he made for me out of cardboard to illustrate my sermon for that Sunday's message. I held onto it as long as I could because of the detail that he put into it! And the hide-a-key he made for the church is still a marvel of creativity and craftsmanship. To this day very few know of its presence and function!

Mr. Bob was soft spoken but when he spoke he did so with great wisdom and patients. And the one time that he disagreed with me at a business meeting, he did so with such statesmanship and respect that I cherished him even more. It was my honor to serve with him as a brother in Christ and a minister of the gospel.

Regrettably I will not be able to attend the service but my prayers are with you all. Ms. Carol, I remember running into you and Bob at Walmart in Crawfordville a few years ago. Your two were always together, and will always be a beautiful example of what Marriage is meant to be. I know the last years have been challenging for you and this will by no means make life easier. But the two of you will always be one in spirit and your current struggles will never change that truth! I love you both and will keep you in my prayers for sure,

In Christ,  
Pastor Milton
