“ *Terry was a man that I admired my entire life. We first met when he was our neighbor on Mock drive in the 60's. When I was 7 years old he asked if I could mow his yard, his only condition was that I not mow a tiny little tree he had planted in the middle of his yard. Well...I mowed the yard and never noticed his little tree, of course I had mowed over it! Terry never said a word to me but did mention it to my dad with a laugh.*

Seems our paths crossed many times over the years, mostly at Publix as he was "The Beer Man". He always had words of encouragement and asked about my family. Terry even came to my wedding in 1988 and spent time at our beach house at the Point.

Sheryl, He was so proud of you and always smiled when I asked how you were. May God bless you and your family during this difficult time.
