“ *Roberta was a very special person. She had a wonderful gift that she shared with me and I’m sure many other people. She could be serious and funny at the same time. She made me laugh many times. She was always helpful when I had a question about my moms health and what doctor to see if I needed one. I will always think of her as one of the most kind and loving persons I’ve ever known. Always, Judy Morris*

Bobbie was the most admired person I met in the Village. Her talents were exceptional. The kindness and caring went out beyond one's self. She definitely will be missed by the church, family and friends. She has left a large void in all our hearts. I just found out today she passed away in June. Her birthday card returned "return to sender-not deliverable". I loved her dearly for her friendship over the years. May her soul rest in peace. Amen
