“ *Krickett, the memories flow when I think of Roland from the time I was a young girl and our families were neighbors. He was always a joker and loved life. Although it's been many years since we have seen each other, my thoughts go back to when you, Roland, my Bill and I shared many happy times together. My condolences and love to you and your family during this sad time. Linda Bond*

“ *I worked for Roland Miller when I was 19 years old at Miller Paint & Body as the front office secretary while making my way through college....I am 48 years old now and think of the impact that Roland had on me, shaping my young life, teaching me about professionalism....I can't thank him enough for the influence he made on my life then, as I have had an amazing and successful career. Thank you Roland Miller for giving me the chance to work for you at such an impressionable age! The days spent with you and Herb Abbott, Hairy Chaires, and countless other friends coming to your office were priceless. Rest in peace dear friend ~*
