Ron made Angela very happy, and you could see his love for her anytime they were together. We have great memories of him visiting at Dad's lake house in California, and vacationing at the beach in Florida. He was a skilled grandfather, keeping Carson entertained-not an easy task! He will always be remembered, and he will be missed. Rick and Debbie Green

“ Ron was a great husband who looked after my sister, Angela, and the crew - Daniel, Brittany, Carson and Jackson. He was a gentle, kind man who I knew was keeping them all happy and safe. A fellow veteran, Ron and I had an uncommon bond, one shared between warriors. He will be greatly missed.

“ Ron was a wonderful son-in-law, who made beloved daughter Angela very happy and leaves all of us all with pleasant memories! He and I shared birthday parties in FL, CA, and SC! It was fun to watch him play and snack with my then 3-year old grandson Carson! It takes quite a salesman to convince a kid that a Kalamata olive is the best possible treat! With love, Richard Green

“ Ron and I shared a wall so he was always close by if I needed sugar. You could hear him giggle as he would walk towards mine and Gail's offices, phone in hand with new pictures of his grandbabies. Ron loved his family and talked about how beautiful his wife was. He was always willing to help and gave us cards on Christmas and other holidays. Ron was the first one to make me feel like I was part of the team. I'm going to miss you Ron and your silly ringtones. Be at peace.

“ I am with the IT section at Forestry and worked with Ron on several projects. He was a very kind person and worked well with others. I had hoped to meet up and do a motorcycle ride at some point as we had talked about it a couple of times. I pray for the family and hope that as time passes they will relish in the memories they had and will live their lives through his legacy.

“ He was a coworker and we enjoyed working with Ron very much! He was very proud of his family and would share pictures and stories of his Little Buddy, Carson, and baby brother. I admired his dedication to his job. He will be truly missed as a coworker and friend.
