

Roy Dickie Allen

July 31, 1947 - May 28, 2025

It is with deep sorrow and much love that we announce the passing of Roy Dickie Allen on May 28, 2025, at the age of 77.

Born on July 31, 1947, Dickie was a beloved husband, devoted father, proud grandfather, and cherished great-grandfather. He lived a life marked by integrity, kindness, and unwavering dedication to his family. Dickie's legacy is one of love, strength, and quiet wisdom—values he passed down through generations.

Dickie found joy in life's simple pleasures: time spent with his loved ones, stories shared around the dinner table, fishing on Lake Talquin and in his backyard--the Ochlockonee River, and the bonds built over decades of laughter, hard work, and unconditional support. He loved his family, but he loved to tell stories with and about all his friends from the phone company that he retired from after 42 years.

He is survived by his loving wife, Suzanne; son, Stephen (Lezlie); grandchildren, Brantley (Sonya) and Wyatt (Kristen); and great grandchildren, Acelynn, Zoey, Addison and Beau; a sister-in-law, Alene Allen; and a host of cousins, nephews, and nieces, all of whom carry forward his memory and spirit. Dickie's presence will be missed dearly, but the imprint he left on the lives he touched will endure forever.

He was predeceased by his father and mother, Walter and Tula Harvey Allen; his son, Anthony; his brothers, Fred, Clyde, Carnell, and Ronnie; and his sisters, Chris Allen Davis and Lois Allen Thomas.

A private family service will be held in his honor. In lieu of flowers, the family asks that you take a moment to hold your loved ones close and cherish the time you have—just as Dickie always did. If you wish to make a donation to Big Bend Hospice in his honor, they were instrumental in making his last days comfortable.

Dayne Parker of Bevis Funeral Home (850-385-2193 or www.bevisfh.com) is assisting the Allen family with their arrangements.

Awh, thank you Christy. I learned a long time ago that when my father died, so did I to them. No worries though, me and my children live at peace and they know all about their grandfather they never got to meet.

I am sorry baby. I love you.

“ I was a single mom with 2 babies and 3 babysitters to cover my operator schedule downtown. Dickie and Red Grooms talked me into bidding out to a shopman job, immediately all job postings were frozen. I was senior bidder for the job. They stayed on my case, both literally and figuratively until the jobs were lifted. I went to the shop with the 5 guys and Chick Armstrong and ONE babysitter!!! Learned a lot about friendship and how to fight because of Dickie pushing me to be the strong person I became.
