“ It is with a very sad heart I'm writing this. Tim has been a part of my life for over 50 years. We were best friends and did many things together. In high school Tim always had the cool bikes and cars that he worked hard for.

I can remember when he got his Kawasaki KZ1000 and gave me a ride on it down Old Bainbridge road ... a ride that I would soon never forget to this day! I remember him saying "Hang On Haveard" and I'm glad I did because that was one of the fastest rides on a bike that I have ever experienced!

Lot's of good times and memories we shared growing up... but as life goes on people move away lose touch with one another and we are left only with many of those wonderful memories.

Tim was a good man and had a good heart, he loved life and his friends especially his wife Jani. He will truly be missed. I love and miss you brother.

“ I met Tim and Jani when I had my gift shop, Uniquely Yours, in Tallahassee. It was always such a treat for me each time they would come in. They never failed to make me laugh, and they shared such wonderful stories and memories with me. They became like family. I know they are so happy to be together again and in the Lord's presence. I will cherish their memory forever. ❤️

“ *My condolences to the family.
Tim was one of the nicest people I have ever known. I loved his sharp wit and sense of humor. He could always make me laugh! I know that he is at peace being with Jani and the Lord.*
