“ I am so sorry to read of your loss. I know the pain of losing loved ones and it's only natural to wonder why God allows this to happen, but I was comforted in knowing that God views death as an enemy and will soon bring it to an end along with the pain that comes with it. (1 Corinthians 15:26, Revelation 21:4) and even more comforting is that He plans to bring our dead loved ones back to life one day. (John 5:28,29) I hope these scriptures help you cope until that day comes.

“ Todd and Troy,
Your Mom and Dad were truly great friends to my parents. The times your Dad shared with my Dad when they were truck drivers was a great friendship and then my mom and your mom became friends. The support that your Mom and Dad gave our family 20 years ago (your Dad had the red car and backed into the fence the day of my Dad's funeral..(lol)) when Dad passed and the days after were very much appreciated and never forgotten. May you find peace and comfort in the days ahead.
