“ *Mom my heart is broken but I know you are in a better place and I will one day see you again. You were the best Mother anyone could have. You were the person I could talk to and you would listen without judgement. I will miss going places and doing things with you. Mom I love you to the moon and back.*

“ Mom, you took care of daddy through thick and thin and we all tried to do the same for you. Even though it was the most painful thing we have ever endured. Hope we can all age as gracefully as you. Love and miss you so much!
