

Ryan Matthew Seither

September 29, 1981 - February 6, 2021

Ryan Matthew Seither, age 39, left this world unexpectedly on February 6, 2021 in Florence, South Carolina. He was born in Cincinnati, Ohio and later moved to and resided in Tallahassee, FL.

Ryan was a dedicated employee of Innovative Refrigeration Systems for 8 years. Although his job required him to travel often, his number one priority was his loving wife of 12 years, Jennifer, and their beautiful children Macaylin 11, Memphis 8, and Monroe 4. In fact, everyone who Ryan met or worked with during his travels felt like they personally knew his family from how often he proudly and lovingly talked about them. Because of this, Ryan is remembered by everyone as a devoted family man who could always get a laugh or a smile from anyone he encountered.

In his free time, Ryan enjoyed boating and being out on the water. He also loved grilling, hosting cookouts, and making everyone feel welcomed. After long stints of working away from home, he always found time for projects to make his home just a little more perfect for his family. Ryan lived life to the fullest and was always happy. He took every bump in the road as an opportunity to grow as a person. He was intelligent, handsome, quick witted, funny, charismatic, charming, honest, loyal, strong, and devoted.

A private celebration of Ryan's life will be held at Havana Springs.

In lieu of flowers, memorial contributions may be made to GoFundMe to help his family gain the support and security he always selflessly provided to them:

“ Ryan you recieved your angel wings so soon. As your family we were not ready for your sudden departure from this life. I could not be more proud to call you my son in law. You grew up to be the father husband and friend especially when Ricky passed. You were the glue to hold this family together. I can't express how much you are missed. You were larger than life and I always looked forward to you coming home and grilling. Love you and give your father in-law a hug and a joke or two. Thank you for being in my life and most of all a beautiful husband and father.

“ To Ryan's family: I never met Ryan myself but he was a close friend of my husband's. They worked on the road together and Ryan was always there for Ben. They talked about everything and especially boating. My heart aches for Jennifer and the kids. It takes a strong woman to handle a husband on the road and I know Jennifer is just that. May Ryan rest in peace.

Seither Family...the Nieporte Family sends our deepest condolences and prayers. The Nieporte Family and the Seither Family are from Bellevue, KY and I still recall Kate & Lou (Ryan's grandparents) and my Mom & Dad talking and socializing after the 8AM Mass at Sacred Heart. Great memories!
