“ We were so sad to hear of Aunt Sandi's passing. Our hearts ache for Uncle Bob and Laurel. She was a very special person and she will be missed. Aunt Sandi loved gummy bears, hummels, bears, penguins, daisies, the color aqua, dogs, Pepsi, children, Michigan, and going out to eat. Most of all, she loved her family. We have so many wonderful memories of her. You are in our thoughts, our hearts and our prayers.

Love,
Amanda and Christine

“ *Sandi was a special person. She loved her family and friends and was always willing to lend a hand to anyone in need. There was a special place in her heart for children and that love made her a wonderful teacher and caregiver. Sandi had a great sense of humor and an infectious laugh that would light up the room. Although our paths have not crossed in many years I've always had very fond memories of spending time with Bob, Sandi, Rob and Laurel when our families were young. She will be missed by all.*

“ *We're so sad to hear of Sandi's passing, and pray that there is comfort for her loved ones in memories of her kindness, thoughtfulness, sweetness, and the love she had for them. John & I have so many dear memories of Sandi & Bob and the generosity of their time while we were young marrieds and new parents. We had so many fun times together, and our boys always were excited to play with cousins Rob and Laurel. Sandi made the world a much nicer place to be.*

“ We were greatly saddened by the news of Sandi's passing. I have known Bob since we were born, so when I returned home from the Air Force to meet Sandi, I knew he had made a good choice in a lifetime partner. I was privileged to watch their family grow and share in their joys. Sandi was a great mother, wife, and friend. Leaving Michigan was a big step, but we still managed to keep in touch. Our prayers go out to the family, and especially Bob, as they treasure the special memories they have of Sandi and her life. May God grant his blessings on all.

“ Sandi was a great friend to me when we lived on Humphrey Street in South Haven, Michigan. I had two young daughters and her daughter Laurel babysat for us, as well as her son, Robbie. Sandi and I were both teachers and had a lot in common. She was a kind, loving mother and a friend to all. I'm blessed to have known her and her family over the years. I will miss her sweet smile. Love and God's comfort to Bob and Laurel. Blessings, Emily and Rick Wylie

Sandi and I were in the same class of 1960. I lived across the street from her on Humphrey Street and our kids played together. She and Bob were always very friendly and good neighbors. I really missed her when she moved to Florida. She was so kind and always a happy person. Prayers go out to Bob and Laurel.
