“ I will always remember you, big Brother! Whether we were playing games, blazing our own hiking trails, riding sketchy two-tracks in your Ford Bronco, getting into fights, driving to Oregon in your old white Subaru, or visiting with family and friends-- my memories of you are all happy and positive ones. You were always so out-going and friendly to everyone you met. Please know that we will never forget the love, kindness, adventurous spirit, and integrity you've always shown throughout your life here on earth. Gage and Devery will forever remember they're cool Uncle Scott from Florida. Our thoughts are with Becky, Burgon, and all of Scott's Florida family and friends; Mom and Dad and all of Scott's Utah family and friends; as well as his loved ones around the world. We love you and will see you soon!

Your loving sister, Donna
(Philip, Gage & Devery send their love too!)

I was Scott's first missionary companion in Pau, France. It was December, 1984. He was so great as a companion. Just a few days after our arrival in Pau, a man leveled a shotgun at us from his balcony. I remember thinking, "Oh boy! This is not a good way to introduce Scott to missionary work." He took it in stride as he did most everything. He wanted only to serve the Lord. I have tried to find him over the years with no success. I am so sad and sorry for your loss. I would love to speak with any of his family to learn more of him and his life.
