“ Words just can't say how much I miss Selena. Some of my happiest times were when she lived here in Miami and we spent time together. I will always remember our fun times going to the mall and all the nightclubs we went to having such a blast dancing the night away. She was going to school full time and working part time and I was working full time and going to school part time but we always found time to have fun together. I will never forget all the Sunday dinners Ray made. I hate we lost contact after she moved away but she is always in my heart every day. Selena was a beautiful, shining light in this dimly lit world of despair. Your light will continue to shine bright in our hearts. I have, and will continue to always love you.

“ When I think of you, your loud and uncontrollable laugh comes to mind. Close to 50 years of friendship and so many wonderful memories, including when we first met.

Selena: “Hi, I’m Selena. What’s your name?”

Me: “My name is Robin.”

Selena: “How old are ?”

Me: “I’m 9.”

Selena: “I’m 10. You’ll do.”

And from there, a beautiful, lasting, loving friendship was born ❤️ I love you, Selena. And Ray, Justin, Tabitha, Michael, Perry/family and to all who loved Selena, I am so so sorry.

Selena was a beautiful person inside & out it was an honor to know her. I remember at one of the Rehab Counsel meetings in Tampa I was helping her set-up the mic's and we were chatting and singing the song "Top of the World" by the Carpenters. We harmonized so well it surprised us both. Rest in peace dear friend.
