“ John and family, I am so sorry to hear about Sharon. I will always remember her great smile and awesome personality. I am going to miss the little chats about life when I would work on her computer. John and family, I am so sorry to hear that she's gone. She was a great woman and always had a smile on her face.

“ To the family and friends of Sharon Agens. Even though we don't know each other personally, I wanted to let you know that I am deeply sorry for your lost. It is a tragedy to lose a loved one in death. However, I would like to share something with you that might offer some comfort. The Bible mentions that not only will God help you through this situation, but it also helps us to appreciate that we will have the opportunity to see our lost loved ones again. Psalms 34:18 - Jehovah [God] is near to those that are broken at heart; And those who are crushed in spirit he saves. John 5:28,29 - Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his [Jesus'] voice and come out, those who did good things to a resurrection of life... I hope these scriptures can provide a sense of comfort for you and your family. All of you in my prayers...
