“ *My Dear Friend, How I will miss your voice & laughter! The things that you, Mary, Earlene, & I have shared during these years of friendship have given us some great memories, but surely gave God many moments of amusement! Now you are actually there with Him...you have seen His face...heard His voice...felt His presence in such a way even beyond what we experience! You have a new body without pain. I can just see you running again with your hands up in praise & singing to the top of your lungs! I pray for the Holy Spirit to saturate your family with comfort & peace as they traverse this path of grief. He will supply strength & direction in their lives to sustain each one. No one can take your place in our lives, yet I know all is well with your soul. YOU ARE WITH GOD! We will see you again according to God's plan. Until that time, know you are loved & missed here on Earth.*
