“ *Shawna was my Bestie/Sis/ Cousin in law . She was my childhood friend which led into our adulthood as being best friends and becoming my cousin in law which her husband and my husband was first cousins so she married into the family we have celebrate so many birthdays together had so many trips and so many memories to treasure my heart is broken, but I watched her for 10 years struggle with her health. I always told her she was the strongest woman that I ever knew. She always came out on top but now my best friend/Sis your journey had came to an end and you gained your wings. You will be missed dearly and I will continue to keep your memories alive continue celebrating, birthdays, and doing trips. I know you'll be by my side spiritually. Victoria and Donovan your children I will always watch over. Love you, sis. It's not goodbye. See you later.❤️*
