“ *Shirley was a resident at the place I work. I saw God in her eyes the first day I met her. We instantly started praying. It became a regular day to have my prayer with her and Jesus in the midst. She told me she loved me and I loved her too as a sister and brother in Christ. The day I heard her saying I see Jesus I knew, He was taking her home. I didn't get a chance to say goodbye but I didn't get a chance to meet such a beautiful soul and such a beautiful faith filled family. Thank you Lord this day. She will forever be my , "favorite" resident. I was just a maintenance man but it is a ministry working here. Today it hit me hard. Each tear reminded me of the pain she was in and now she's in pain no longer. But the pain in my heart is confusing because I know where she is but not doesn't make it easier. The family who knew who I was if you can reach out to tell me how the service was I would appreciate it. 9105815109.*

*I met Shirley 50 years ago because she was a beloved aunt to my niece and nephew.
In my opinion, she was the true model of a classy southern belle. She was lovely and warm and loving to me and she had the gift of hospitality.
My deepest condolences to the family.
