“ I worked with Shirley a number of years. In that time she pointed me in the right direction more than once. Always with a smile. She was truly a kind and gentle lady.

“ *Shirley was one of my nearest and dearest friends. The most vivid memory I have is of her beautiful eyes. Shirley was so full of love and life and I could always see those twinkling in her eyes. My other favorite memory is of all the fun times we had together riding bikes, sipping coffee, and eating her unforgettable Hummingbird Cake. A true Southern soul has departed this life for the much better one in Heaven. When God made her he broke the mold. I will love you always and miss you until we see each other again. I will never forget you or our friendship. Thanks so so so much for honoring me with the gift of your friendship.*
