“ I met Stacie years ago in 2nd grade. Stacie sat behind me in class. She would pull my hair and pick on me, eventually we had a fight behind the school building til mr Cesal came out and took us to the office. Our parents was notified and we both got in trouble. But later we came good friends we went to birthday parties and went skating together. After she moved I didnt see her anymore until last year I found her on Facebook. We kept in touch, I prayed for her and I was sad to see her go to heaven. But at least I got to talk and text her. I know she had fun on her birthday yesterday.

“ My name is sue Morton Simpson and Stacie is my first cousin. We saw each other occasionally when my Dad and Mom (John and Eileen Morton) would take us to visit uncle Mitchell and Aunt Pauline or Daddy Joe and Granny. It's been many years since I saw or knew about Stacie. We did briefly text a few years ago. Anyway I'm saddened that she is gone but happy she has family and is cherished and missed. Love to each of you
