“ *Frances, My dear best friend, I only knew you 4 short years, but it seemed like a lifetime. You taught me so much in the last few months and I will make you proud. I will always treasure the time we spent together (whether it was traveling or just talking) there was always laughter. Honey, Jim, Amanda, Baby Jim and Eric, Frances loved you all so very much. There was never a day that went by that she wasn't talking or thinking about each of you. She just wanted all of you to be happy and strong enough to find your own way in your lives.*

Love and Prayers to you all,

Jennifer
