

Stephen Harley Crayton

February 22, 1985 - September 4, 2014

Stephen Harley Crayton, 29, entered Paradise with his Heavenly Father on September 4, 2014. He was a lifelong resident of Tallahassee, FL where he was an auto service center manager for many years and was recently attending school to become a master mechanic. Stephen was a remarkable, intelligent, funny, energetic and loving young man who was also an amazing, understanding, compassionate father. He was very family oriented and encouraged many family gatherings, outings and trips.

He loved fishing and his favorite fishing spot was the St. George Island Bridge. He enjoyed sports which included watching professional basketball, being a passionately loyal FSU Seminole fan, playing co-ed softball and he also coached a girls softball team that included his daughter and niece. He enjoyed teaching and encouraging the girls good skills, sportsmanship and boosting their self confidence. Stephen was a loyal member of the local Tallahassee Moose Lodge and he loved being the official bingo caller and is believed to be the youngest caller ever. He was a loving father, son, brother, nephew, cousin and friend to many and his love will live on in our hearts forever.

Stephen is survived by his children, 10 year old twins, Isaiah and Nevaeh Crayton, 1 year old Elijah Crayton; parents, Angela Crayton, Carl and Tina Crayton; brothers; Dustin Clenney and Sean Crayton; sisters, Danielle Hay

and Chellie Bell.

A celebration of his life will be held at Christian Life Fellowship, 3608 Centerville Road, Tallahassee, FL at 11:30 am on Tuesday, September 9th.

In lieu of flowers, donations can be made to his fund, at www.youcaring.com.

For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future.

“ To the Crayton family,

Please accept my sincere condolences. At times like these, "God is near to those who are broken at heart; And those crushed in spirit he saves." (Psalm 34:18) I hope this will bring you a measure of comfort.

I just wanted to share with you a promise from God that states in the near future, we can see our dead loved ones right here on the earth.

"Death is an enemy", as the Bible states, and "soon it will be brought to nothing" (1 Cor. 15:26) There will be no more tears, pain, or sorrow, as the former things will be passed away-Rev.

21:3,4.May your warm memories and sure scriptural hope sustain you at this difficult time.

“ You will be deeply missed and your children love you so much. Were still having a hard time with the fact you left but we are truly thankful you are no longer suffering. Me, you, and God created two amazing, beautiful miracles. You left the greatest part of you here on earth and that's our children. Thank you for blessing with me such amazing kids. We will meet in heaven someday again. Just know that they love you and know you are with them in spirit and watching over them.

“ *Can never think of Stephen without thinking how much his family loved him. Close knit to say the least. With deepest sympathy and sadness for all of his family and friends who miss him so terribly. The life of a man this greatly loved must be counted as a success.*
