“ Our hearts are heavy with sadness with your passing but you are so much still here with us in our memories. I like so many others have great memories of you. You were always so kind and thoughtful. Your smile and laughter was contagious. You had a great sense of humor and so easy to talk to. You were an awesome son, husband, dad and friend to all. You were always so proud of the life that you and Barbara had made for yourselves. Your pride and joy were your children and you loved to talk about them. Thank you for all the talks, you will be deeply missed. My thoughts and prayers are with your sweet family.

“ *Boss Man! You have taught me a lot. I want to thank you for taking time out and helping me become the man I am today. Although you are gone from this world you will NEVER be gone from my heart. You truly are the kind of man, Father, Friend and boss that I hope one day I can be at least half the man that you are. You loved are loved more than you know, and more than I showed! May you rest in eternal peace. My thoughts and prayers will now and forever will be with your family. To the Harrison family. I am so sorry for the loss. I hope that you feel and see the love that is around you. May you find Gods light in this dark time. Your entire family is loved!*

*All our hearts are broken with your passing, but also filled with joy knowing that you are with our Lord! I look at your photo and can almost hear your laughter. We just want your sweet family to know the blessing you were to all of us. You were always a 'friend' to everyone and never said "no" to anyone in need. You were an amazing husband, dad, son & friend and have left all of us with some wonderful memories we will always treasure... Job well done Chris!
Your beautiful family who you loved with all your heart will be fine as we lift them up in continued prayer believing that our Powerful Lord will give them strength and peace.*
