

## Stephen John Stoutamire

February 3, 1954 - November 21, 2021

Stephen J. Stoutamire passed away in the early morning of November 21, 2021. It was a perfect day for his favorite sport, duck hunting. Steve was a true son of Tallahassee, having been born to one of our Pioneer families that migrated to North Florida in the early 1800's. Steve grew up skiing on Lake Jackson and was an avid outdoorsman. He loved hunting, throwing his cast net, and enjoyed the serenity of nature. Like many in his family, he was a talented home builder and woodworker. You may be lucky enough to live in one of his sturdy homes sprinkled throughout Killlearn, and, if you live in Tallahassee, your round windows are likely adorned with his artful trim. Steve took pride in all that he made and the family hopes he will be remembered through his quality work.

He is survived by his children, Shannon, Thomas, Sara, and Stephanie, his partner, Betsy, and his sister, Carol (Fred). He will also be missed by his three grandchildren, Summer, Samantha and Stephen, and his son-in-law, Sam Pittman. Steve was preceded in death by his parents Lawrence & Eunice and his brothers, Lawrence Jr. and Ernest.

May mallards fly before you and the mullet swim into your net. Rest in peace, Buddy.

A memorial will be held at Sunset Boat Landing on Tuesday, November 30,

2021 from 4:00 to 6:00 PM for anyone who wishes to come.

Susie Mozolic of Bevis Funeral Home is assisting the family with their arrangements. ([www.bevisfh.com](http://www.bevisfh.com) 850-385-2193)

“ *My little brother. I'm so sad for him. His life wasn't easy and he really struggled at the end. He played with me and Lori McNeil when we were little. We rode bikes and played cowboys and Indians in the woods by Donnie Abott. He hunted and fished with Van Tyre. He was daddy's Buddy all of his life. He built our house on Pasturewood Dr., along with our older brother Lawrence. It was a beautiful house. Steve did beautiful woodworking. I will miss knowing he is around, but he has gone to be with momma and daddy and our other brothers. Rest well little brother.*

*Carol, Tony and I are so sorry for your loss.*

*I did not know Stephen, but I did know and love your parents. Your Dad was often at our home playing the piano with me when your Mother would call looking for him.*

*And I believe it was Stephen who did the lovely millworker for our home - twice. He did it all over agin after we had a major water pipe to break and flood the house. So nice of him to do so.*
