“ *Debbie and Elaine,  
So sorry about your Dad. I considered him a friend. He was always upbeat, considerate, and funny at times! He would light up when talking about his family, and especially you girls!  
The reason this message is coming to you at this late date, is because I was just told today. Please accept my sincere condolences for your loss!! I will be praying for you!! Bob Bethea*

“ *There were five of us born in the same year and year after. Poor thing always surrounded by his female cousins but I think he enjoyed the attention. Loved him so much and so sad to know he is gone. Praying his family will be blessed with peace, comfort and beautiful memories.*

*I remember Steve from Mount Dora. His Dad was our local Rexall Drug Store Pharmacist. Steve was a very talented musician & would occasionally be on the scene at a local gathering of friends just hanging out making music together. Always the life of the group, happy go lucky & the most handsome of the bunch ♡ Sad to hear of his passing; grateful to learn of his beautiful family💕 Rest in Peace my friend; I will keep you & your family in my prayers🙏 Will pray for the repose of your soul♡ Peace be with you Steve💕*

“ My heart aches to hear this but I know he is in better places. I remember Steven as the cousin I would be so excited to see when he came to Pensacola to visit. I even made sure that in one of those visits I got my picture taken with him, he was always so sweet to me. He was like my rockstar. I remember visiting him and his Mom n Dad and sister when I was even younger. Yes, I remember that spooky house, lol. It was a visit that I always remembered even after all those years. I will miss him.
