“ Dear Barbara and Family:

It was with much sadness and shock that I received the news about Susan's passing.

Words sometimes can not convey the depth of our hearts and emotions, to others, at times like these. I hope that it will suffice, to extend to you and all our family, that they are foremost in our prayers and in our thoughts, not only during this time, but in happier times past.....

Those memories began in the 1950's with visits to Tallahassee, many good meals at Aunt Annie Grace and Uncle Roy's house in town and on the Old Bainbridge Road, your visits with Susan, Annie Grace and Roy to Thomasville, a Dollar family reunion in the early 1960's, Boy Scout jamboree's with Uncle Roy, meeting at Little Grandma's house and other memories, all of them timeless in their ability to evoke love, happiness and a familial sense of continuity. It my fervent hope that your sadness will be abated with the knowledge that Susan's spirit has returned to the Author of All Things and that she has rejoined her daddy, Annie Grace, Roy, Jon Avery, Mrs. Kennedy, Little Grandma and all of our family in a place where time has never existed, that was created by unconditional love, where all things are perfect and beautiful and is as endless, as the universe is infinite.....

Please accept the heartfelt condolences and the abiding love, on behalf of all the Thomasville, Albany, and Canadian branches of the Dollar family.....

*With warmest regards to you and all your other family:
