November 21, 1954 - May 28, 2015

On May 28, 2015, Susan Griffin Hudson, 60, of Tallahassee, Florida, passed away after a long and courageous battle with cancer.

Susan was born in Birmingham, Alabama, but spent most of her life in Tampa, Florida. She was a graduate of Leto High School in Tampa. She lived in Tallahassee on two occasions, the final time from 2009 to her death.

Susan was a loving mother, daughter, sister, and aunt. All who knew her will remember her as someone who was selfless, strong, and loved people unconditionally. She was blessed with many friends who were considered her family.

She leaves behind a daughter, Emily Stoops (Kyle) of Tampa, Florida, and a brother, John Griffin (Dawn) of Tallahassee, FL. She is also survived by two nieces – Megan Griffin of London, England, and Sara Griffin of Tallahassee. She was preceded in death by her two wonderful parents, Nathan and Margaret Griffin.

A memorial service will be held on Saturday, June 6, 2015, at 11 am, at Fellowship Baptist Church 3705 N. Monroe Street, Tallahassee, Florida, 32303. There will be a time for food and fellowship immediately following the service and the family encourages you to stay and share your memories and stories.

In lieu of flowers, the family would suggest a donation be made to the Tallahassee Memorial Cancer Center in memory of Susan. Todd Wahlquist with Bevis Funeral Home is assisting the family with their arrangements. 850-

“ Sweet Emily,
Moms will always be with us, in our hearts, in our thoughts, and in the wonderful memories we cherish as their daughters. I am praying for you, your friends and family as you gather to say goodbye. I always think of your Mom when I see yellow butterflies and lady bugs . . . once we were sitting on her big porch in TLH watching them fly and crawl around and she said they brought "good luck" . . . I already knew I was so lucky to get to know your Mom. What a special friend to share "Mom" moments with, watching our two lovely daughters on some of our crazy NKOTB concert adventures in Tampa, Orlando and NYC! The fun time we had at the wedding show at Sweet Caroline's Off Broadway! And of course enjoying those yummy beignets at your Mom's favorite little New Orleans style café in Tallahassee. "Sassy" will always hold a very special place in my heart. See you in Heaven one day . . . Love and miss you "most", Megi

“ *You mommy was the one who inspired me to pursue my degree in criminology and the legal field. And was always there to answer any questions I had about what path I should take. Or anything in general for that matter and not get discouraged. She always had the right words to say to boost me up and always lend a helping hand or thought. Will miss her dearly. All my love- Erin*

“ I'll never forget the time when Susan made a sponge cake for one of our fellow employees here at FHCA. It was real sponge with icing and all!! Watching the person trying to cut that cake was one of the funniest things I have ever seen. Susan is going to lighten things up in heaven with her sense of humor! You will be missed by many of us. “ My most favorite memory of Susan is when I had started back to MD office. She took me under her wing and became a mentor and listening ear. She called me her student and she was my Masterson. We both laughed at this relationship title. Smiles. During hard times she would remind me to be strong and "wax on, wax off". She brought out my inner "badass" as they say now days. Without God bringing this incredible woman into my life I would not have pursued bigger dreams and had the courage to conquer and mountain on life's journey. Thank you sweet Susan! I hear your voice in my head often! Thank you for sharing your heart and strength! I will always share about your influence in my life forever!
