

Susan Jane Schroeder

April 29, 1932 - September 21, 2011

Susan Jane Schroeder, a beloved wife, mother, grandmother and teacher passed away peacefully Wednesday, September 21, surrounded by her family. Raised in Southern Wisconsin, she married Wayne L. Schroeder her high school sweetheart in 1952. Together they raised two boys teaching them respect for the outdoors and spent many nights camping on the road.

Her primary values often found her caring for those less fortunate, loving them and making sure they had every opportunity to succeed. To succeed meant always doing the best that you could do. Susan developed these same values in her two sons. Her infectious smile and exuberant personality touched the hearts of all those she came in contact with.

Professionally, Susan received a teaching diploma from Wisconsin State College, Platteville, B.S Degree in Elementary Education from The Florida State University and M.S in Reading from the Florida State University. In addition to teaching, Susan was involved in developing materials to help teachers teach reading in Wakulla County-Project Mark. In her retirement years she ran an antique shop in conjunction with her son's wildlife art gallery. She was dedicated to community service. As a member of Trinity United Methodist Church, Susan was instrumental in developing and implementing a meals on wheels program reaching out to those elderly and homebound. She was also active in The Florida State University's Woman's Club, and served as one of its presidents.

Biding farewell to her beautiful spirit are her husband of 59 years Wayne, sons

Todd and Drew, daughter in-law Cathy and three grandchildren Steven, Kelli, and Olivia.
