

Susan Faye Wardowski

February 18, 1964 - August 10, 2011

Survived by devoted faithful loving husband David, caring sister and brother-in-la Barbra and Charles Drawdy (of Perry), 2 nephews, 4 nieces, and 3 great nephews.

Susan was born February 18, 1964 in Dunedin, Florida. She was primarily raised by her grandparents until age 5. Age 5 she moved with her mother and sister to Kentucky for two years. Age 7 she returned to the Tampa area where she lived with her grandparents once again until her mother wed.

Their family owned and operated the County Line Bar in Taylor County where she lived until she moved to Tallahassee her senior year. Susan graduated from Leon High School in 1982. After graduation Sue earned her bachelor's degree in social science at F.S.U. How ironic for such an avid gator fan to have attended F.S.U. However, she did wear the orange and blue to classes regularly. The reason she chose to attend FSU was to further her career at Growth and Environmental Management (Leon County), where she was an exemplary employee for over 26 years. Ushering at the Leon County Civic Center was also a hat Susan wore.

Her passions were fishing, camping, scootering, boating, golf carting, shopping, gator football and unfortunately smoking. Sue loved ALL animals and probably owned at least one of each species at one point or another. Her most precious animal was her husband who was truly blessed to have been loved by her. Sue should be considered an example of how we should treat each other in everyday life. If we were all a little more like her,

the world would be a different place, SHE MADE A DIFFERENCE. I used to shake my head in disbelief at a lot of experience Sue had, and feel really bad that she was treated such. I'd ask her how she did it and she'd say "YOU JUST KEEP GOING". So now we all must do as she did and keep going.
