“ I will miss Susan terribly. We spent a lot of time in a place we both loved-the shore. We went swimming, jet skiing, and most importantly identifying birds together. We were together when we discovered a big flock of Spoonbills at Phipps Point. Every time I see a Spoonbill I will think of Susan.

“ Susan was my cousin! My granddaddy Moore was like a father to her father, Worth ! As a child growing up in South Georgia, our family made many trips to Tallahassee and Crawfordville to visit relatives! I was saddened to hear about Susan's death. Please know our thoughts and prayers are with each of you ! Sincerely,
Davis and Donna King

“ Susan and I raised our children on the same street. We were neighbors. We were friends. She was a lovely, lovely wonderful person. I will miss her terribly.

“ *Wright and Moore Families...*

My heart breaks for each and everyone of you. Joe, I don't know about losing a spouse of 44 year's and can't imagine your pain. Losing parents and especially my sister was devastating. My sister was named after our gg grandmother and Susan, Betsy and Bub's g grandmother Nancy Elizabeth Bryan Brown. We use to see each other when we were kids, Tallahassee, Jacksonville and South Florida, then teen year's moved in and we were in other directions. I think Susan sat at a table making sure everyone signed the Guest Book at my sisters wedding 1967.

Again, I pray God covers each of you with His love, grace and comfort going forward.
