“ Just thinking of you and miss some of our good times after beauty school and working together. You were such a big part of my young adult days, wish we could look back together and reminisce the good times. Your forever in my heart old friend.

“ My family and I want to offer our deepest sympathy on reading of the sad, unexpected death of Tammy. It is truly comforting to know the hope God gives us in his word that we will see our loved ones again in a world without pain and suffering. That hope is found at Rev 21:4. May these encouraging words bring you a measure of comfort. With prayers
