“ 15 years ago at a Childers company meeting Terry came up to me and said, "Do you know Lisa K?" I said yes and he said, "She would really like to go out with you!" Encouraged by this news, I asked her out on a date and one year later we got married. Lisa and I have ever since referred to him as Angel Terry. Thank you dear friend.

I loved Terry from first time I meet him through Ritchie. He's been like a brother. Will always remember the day he drove up to our house with my "flower tower" ,as I call it, in his truck. He gets out and says, Happy Mother's day, where do you want it?" It's a lonely piece of wood work that holds hanging flower baskets and flower pots on the side. I just cried as he dug the hole and put it up. He had lots of love and a heart bigger than him. My heart breaks for earth's lose, but rejoices for heaven's gain.
