“ Going to miss her so. She's one of the nicest people that I've met and not seeing her at church is going to be hard. Love you Mama Faye and I know you are rejoicing in heaven. Big hugs from your son (I am going to miss you saying "come give me a hug son"). My condolences to the family and we will continue to pray for peace and and strength in this time.

“ Faye was such a kind and giving person. Shortly after we moved to Tallahassee to pastor Oak City, my youngest son burned his hand at a campout. Early the next morning, Faye came to our house to see about him and bandage his wound. I'll never forget that! She helped me so much with my boys and all of the church kids. She was a true servant of God. Loved her so much!

I love Faye so much, she's a wonderful woman! Faye and I met at Oak City Assembly of God Church. Faye was always an encouragement to me. She encouraged me by helping recognize the positive things about me.  
Faye always would tell you she's thinking of you. She let you know what you mean to her.  
Love you Faye you will be missed!!
