“ I will miss you "Uncle" Tom. Though not uncle by blood, you are my uncle. I have so many fond memories of you throughout my whole life. Uncle Tom always carried the room with his humor and boisterous laugh. He always had me in tears laughing. He was always there for me, especially when I was living in Tallahassee. My heart goes out to the rest of his family and friends.

“ *If a sense of humor is an indicator of intelligence, Tom was brilliant. His quick wit and thoughtful humor always brought a laugh and always in a positive manner. In the nearly 60 years I knew Tom, I don't remember him ever being angry about anything, and I don't believe I ever heard him say an unkind word about or to anyone. Tom once told me that as long as we kept having class reunions, he would keep coming to them. I wish that could still be true. You are and will be missed, my friend.*

“ *If laughter is the music of the soul, then Tom composed the symphony and conducted the orchestra. I cannot think of any interaction with him that did not produce a smile, a chuckle, or an outright belly laugh. An aura of joy surrounded him and reflected on all who knew him. We miss him already.*

“ Like a Shakespearean character at the Boar’s Head Inn, Tom reminded us of the frisky side of life with a well-turned and usually humorous remark, a joke, or simply by hoisting a glass. I worked with Tom for nearly 20 years and he sure made going to work each day more enjoyable. He was a good lawyer, fisherman and friend and will be forever missed.

“ Enjoyed going to Potawatomi casino in Milwaukee with Tom & Jane. Tom liked the Panda slots and usually won at them. He liked them so much, we bought him a box of Trader Joe's Panda Puff cereal. He got a kick out of that. We'll miss you Tom.

“ Tom was just one of those people who you immediately liked. Nan certainly found that to be true as did my college friends who had the good fortune to know him. You always knew you'd have fun when Tom was around. For me, the laughter started on a sunny day in August 1961 when the Little League baseball teams Iowana Dairy and Syndicate Hub squared off at Davenport's Garfield Park during the playoffs. Certainly Tom had his serious side when the situation warranted, and he was always ready to help his friends whenever/however he could. Earlier this month when Portland was about to get hit by yet another Nor'easter, Tom sent us an email expressing his concern. He hoped that we weren't burning the last of our furniture in our fireplace trying to keep warm. He even offered to wire us money so we could buy bus tickets to get out of town. How many friends do you know with such generosity??

'Tarzan Tom Alan', U of I radio DJ extraordinaire, was definitely one of the good ones. Rest in peace dear, dear friend.

“ So hard to believe. I will always remember his laugh and thoughtfulness, and interesting conversations over Mai Tais in Maui. We're glad we got to spend that time with him, and know he is winning at Big Fish Casino in heaven.

“ You are a life long friend. There are so many memories to treasure: from our childhood years with the Beenck and Reeves families, Fourth of Julys, Minnesota vacations, high school, and as adults our too infrequent visits at reunions. God Bless, my friend.
