December 26, 1985 - February 3, 2025

Timothy Ray Fraser, age 39, entered into rest on February 03, 2025. Timothy was born in Tallahassee and was a lifelong resident. He acquired his GED in 2002 and worked as an electrician apprentice off and on until 2018 when a physical injury halted his dreams of becoming an electrician. “ I didn't know tim for very long but he made such a big impact on my life and I will forever call him a friend. He was such a sweet guy. I hadn't talked to him for a few years and I just went to look him up and found out he had passed. I wish I could've been there for him and made more memories than the ones we already had, but I will forever cherish those and remember him as the wonderful and loving person that he is. I will miss you Tim.

“ Tim was a truly kind hearted person who always made sure to ask how others were doing. His kind gestures and at times unique glowing personality gave comfort to people he knew and people he just met. It was hard not to love Tim after knowing him and he will be dearly missed by many. My heart goes out to his family and friends. Rest In Peace Tim, we love you. For the rest of us, remember this isn't goodbye, just see you soon.
