“ Barry & I met Tommy at one of our neighborhood suppers as he was the brother of the couple we bought our home from in Brenham. They came to our suppers & our National Night Out celebrations at our home in Pecan Glen . They started going to Cowboy Church which is our church also. My fondest memory is how I would lean over & untie his sneakers 🧦. Our thoughts are with Phyliss at this time

“ I first met Tommy when he got out of the Army in 1971 and I was dating his sister, Shirley. He became my Brother-in-Law in 1973. We always got along, shared many stories together, went to the beach and various lakes many times, and always enjoyed his company. It didn't matter that he moved to Colorado or Florida. Despite the length of time apart, when we got a chance to get together, it was like he never left. He was my very good friend and I will miss him greatly.

“ Jack and I met Tommy and Phyllis during events at Pecan Glen Sub Division and Cowboy Church of Brenham, Tx. They were a delightful couple and so pleasant to talk to. We always enjoyed seeing them in church and missed them when back in Florida. We were so sorry when Tommy became ill. We just knew he would beat this , but God had special plans for Tommy. We hold Phyllis and Family in our hearts. Our love and prayers go out to each of you.
