“ I have known Toni Ann since High school. She was so sweet and so beautiful. The best memories I have are when I picked her and walt up for school each morning and me and her would jam out while walt hated how loud I was in the morning. She was always so fun loving and constantly joking. As we got older I didn't talk to her much until recently when I found out her husband was friends with mine. Such a bright beautiful woman gone way to soon from us. I love you Toni Ann. Smile down and watch over us. Brayden will miss his Mrs. Toni very much but you will never ever be forgotten.

“ To my Greatnephew JOEY Houston Jr., I know that Toni Ann was the love of your life, you had a smile come across your face everytime you would bring up her name and your face would light up as though she was your whole world. We know your light has gone out losing Toni Ann, just remember there is a time and purpose for EVERYTHING ON THIS EARTH, Thank God she was brought up in a CHRISTIAN Home, she had a smile that made you feel like sunshine on a cloudy day, we are so happy & thankful that she allowed you & your family be a part of the Hope, Love, Joy and Memories that she would give & leave as a Gift to ALL WHO KNEW AND LOVE HER. JOEY REMEMBER, THOSE THAT WE LOVE AND WHO MUST LEAVE US BEHIND FOR A LITTLE WHILE, ARE NEVER REALLY GONE, BUT THEY WALK BESIDE US UNSEEN, UNHEARD, BUT STILL THERE. We Love you and your family with all our Hearts, all of you are in our Prayers & thoughts as you try to go on with life without Toni Ann & her Beautiful self, lean on God because only he can get you through a time like this, we should know, your life will Never be the same but Always Remember the Sweet Times you had with Toni Ann, they were cut to short but they were Great!!! Toni Ann loves You, even though she sleeps now, Don't Ever Forget That!! We Love you so much, God Bless You & Yours.

“ *I first met Toni Ann in the neighborhood as I did many kids that spent time playing with their friends riding bikes, skating down the streets or simply just walking around visiting one friends home and then another. She was always a sweet girl with that contagious smile, she and her family moved in time so I didn't see her for a few years other than maybe running into her at a store, then she started working at Murpheys so every time I stopped in if she was there I was always greeted with a smile and her friendly face, she will forever be missed.*
