“ *Hilda and family, I was so sad to learn that Tracy passed. I remember taking care of her and Stacy when you were at Chipola when they were 3. You are in my prayers* Kay Mongoven Eldridge

“ *Tracy was very special to us. She always had a quick smile and genuine hug. She never wanted to sit still and kept busy, either working or creating something new. Her garden shone just like her smile. Our thoughts and prayers are with her family and we hope that their memories will comfort them.*
