

Virginia O'Kane Carroll

August 29, 1944 - August 15, 2021

Virginia O'Kane Carroll, a lifelong resident of Tallahassee, passed away on August 15, 2021 after a brief illness.

Virginia loved everything Southern and exuded charm. If sweet tea could be a woman, it would have been Virginia. Strangers were lucky to remain that way for more than five minutes.

Virginia was born August 29, 1944 to Vairett and Blanch O'Kane. She was a city girl who married a country boy, her beloved Marshall in 1967. They went on to have two children and two grandchildren together.

Virginia graduated from Leon High School in 1962 and began her career in accounting at General Motors that same year. True to form, she found lifelong friends there, which she cherished long after the job was over. She later worked in accounting at the Tallahassee Leon County Civic Center, before retiring to focus on her real passions of home, family and friendships.

She was a woman of impeccable taste, who loved fashion, home decorating, historic architecture, and especially antiques. She loved dogs even more, and they loved her too.

As a small girl, Virginia accepted Jesus as her savior, and she never wavered.

She was a strong Christian who is now with the Lord.

She is survived by her husband Marshall, her two sons Troy and Matt, her brother Wayne O'Kane and two granddaughters.

Visitation will be held at Bevis Funeral Home on Thursday, August 26th from 6pm to 8pm. A funeral and graveside service will be held at New Hope Baptist Church on August 27th at 11am. Socially distanced seating will be observed, and masks will be provided.

In lieu of flowers, please send donations to St. Jude Children's Hospital or New Hope Church Cemetery Fund.

Kelly Barber of Bevis Funeral Home (850-385-2193 or www.bevisfh.com) is assisting the Carroll family with their arrangements.

“ We would like to think we assisted in her "beauty", but far from it. She exuded sunshine and grace the moment she entered the room; beautiful inside and out. Forever grateful to have known you.

“ I was saddened and surprised to read of your loss in today's paper. I was just thinking of Virginia, Marshall, and the family yesterday. You are some of the first friends I made when I moved here so long ago.
