“ I found a letter from Virginia I received in 2000...yes, all that long ago. She was a dear friend from high school & I spent lots of time with her at their house. I have many fond memories of her, the last just a few years ago when my Mom died. She was always a thoughtful person. I was searching for her as the phone # I had was not in service when I found this about her passing. I am sorry to hear that she has gone from this life but lives on in my memory.
