“ *I was shocked and saddened to read of Vicky's passing. The last time I saw her was at Walmart and she inquired as to when the Sr. Center would reopen. I always enjoyed seeing her at the Center after her retirement. We worked together for more than 30 years and I considered her my resident "expert" on EXCEL spreadsheets. We stayed many an afternoon working on R&D proposals. Wonderful lady and so very smart. She loved her family beyond measure; not only her children and grandchildren but her sisters, nieces, nephews and all the rest. I'll miss seeing you sweet Vicky. RIP and enjoy your reunion with Clayton. GOD has certainly gained another angel. My deepest sympathy to Evelyn, David, Brenda, Sherry, Tim and Penny and the rest of the family.*

“ Virlon and I were high school friends. There were four of us who ran around together, Phillis Keen, Bertie Boatright, Virlon and myself. We planned a trip to Jacksonville to spend a week with one of her sisters. Not having a car we purchased tickets and made our way by Greyhound Bus. Her sister's husband was kind enough to allow us to use his car for the week if we would take him to work and pick him up. That was my job since no one else had a permit. Early in the week we all made a trip to the beauty shop for Pixie hair cuts. **BIG MISTAKE**, mine and Virlon's hair stuck up like we had a flattop. Had to wear a sailor cap to hold it down all week. We did not get the attention we had hoped for!!! I have so many wonderful memories of the fun we had as teens. We lost contact after we started getting married and raising families but Virlon and I reconnected several years ago on FB. She was a special friend. I pray for you all in the loss of Virlon, I know you will miss her. I wish you comfort and peace. Linda Postell Barron

“ My dear sweet Aunt Virlon, oh how I will miss you. I will miss our frequent trips to Tallahassee, my annual girl's road trip with the aunts. Growing up with you in my life was the best I could have ever asked for. You were my 2nd mom, my sister, my best friend. Until we meet again enjoy your new home and I'll be getting ready for our new adventures there. Love Brenda

“ She always had a smile , and words of encouragement. She was the model I used to select what I thought was the idea wife . My wife Rita , had the same qualities and we were married 37 years before God called Rita home . Aunt Virlon was a very kind woman and friend to many. I will always love and remember her in my heart . I know she and Uncle Clayton are hugging , and that makes my heart feel glad . I will always love them both .
