My thoughts exactly- I am on the other side of them (20 years as well). It is sad that they left but at least we know where they went. Our neighborhood sure wont be the same come Christmas time.

“ I am still in shock to hear about Wanda and David. My heart aches. Miss Wanda parked next to me every day at the Hermitage. Always had the most beautiful smile that I will never forget. Prayers for all of the family.

“ Wanda was so dedicated to her grandson bringing him to clogging regularly and encouraging him. She was a loving human being.

“ My heart is heavy tonight learning David has joined Wanda in Heaven. Wanda was a great friend, and I met David when I started going to the same church where they went. The pew was empty Sunday because they were not there sitting with Michelle and me.

“ We loved Wanda and her family like they were our own. We will miss her smiling face around the Hermitage Centre. We are all still in shock the devastation this family has endured and the end to such a beautiful life and person. Our prayers are with you.

“ David, Wanda and I have been friends since high school. We always stayed in touch throughout our military careers and ended up living here in Tallahassee. She was special and kind to everyone. She will be sorely missed. Heaven has gained a beautiful and special person.

I didn't know her but a Co-worker, said she was devastated to hear the news that Wanda was gone . I live across from Hermitage Centre and I see the Flag flying at half-staff. My Condolences to All who was a part of her and Husband life! Rest Eternal in Heaven! 🙏

“ *I don't think there is anyone who will ever be as special as Wanda. She was friends with everyone, and everyone was her friend. We were a team at work, and now it's like having to clap with one hand. I will always miss her. Until we meet again. ❤️*
