“ I am very sad to just now learn of Wanda's Passing. I got very close to her when I worked at the Hospital. She was a wonderful lady and assisted me as much as i assisted her. She helped me get through a very hard time in my life. May GOD continue to comfort you.

“ My sympathies to Reece, Johnny and family. I had not seen Kay in many years but met her long ago. I am glad you both had time with her before her passing. Losing your mom is always very very difficult. You are in my thoughts.

“ Kay was a wonderful friend and shed bright light everywhere she went...she helped anyone in need and always with a smile. She raised two amazing young men and she claimed me as the "daughter she never had..." I will forever be grateful to have this beautiful being in my life and look forward to the day I get to hear her laughter and see that beautiful smile of hers again. RIP Kay.
