“ We will miss you much, Aunt Wannie and will see you again one day! You were a sweetie. We are so thankful Aunt Wannie had that 8-0 party this year. I think it was a real blessing she got that big celebration before her passing. She loved every minute of it. Hugs and peace to all the Dowlings, Stringers, and old friends who loved and knew her so well. We are loving the young Aunt Wannie pictures and all the fun stories that go with them. She will be missed. Love, Jimmy and Janet Stringer

“ Long before I was a Dowling, she was always my Aunt Wannie. I was always family before I became a Dowling and she went from Aunt Wannie to Grandma and then Great Grandma. I am so happy that Hunter got to know her and spend time with her. But I am sad that it was not longer so that he would have all of the wonderful memories of her that I have growing up! She was a very special person, beloved by all Who knew her and will never be forgotten. I love you Grandma!
