“ I recently read about the loss of your dear loved one. Although we are not acquainted personally please accept my condolences. Psalms 90:10 says "The span of our life is 70 years, or 80 if especially strong..." Amazing that your loved one lived 95 years! Cherish the memories and the times you shared. May the God of comfort continue to be with you during this difficult time.

“ I am so sorry for your loss. Please know that God hates to see you in pain, and feels the same way about death that we do. That is why we are promised that our loved ones will be returned to us on the this Earth! And God will also put a stop to death all together! (John 5:28&29, Revelation 21:3&4) jw.org...
