“ My daughter moved in across the street from Sonny and Jean about a year and a half ago, Sonny and Jean were the first ones to welcome them to the neighborhood. Sonny was the one over seeing any projects going on at the girls house from having fencing put in to having trees lifted over the house with a crane! I am so thankful that he was there keeping a watchful eye. He was a very special man and will be greatly missed.

“ It was February 7th, 2022 and we came by to visit Uncle Sonny and Jean on our way home to Tennessee. We enjoyed an hour of visiting (and a cup of coffee) with them. Although he was weak, he was alert and sharing stories with us as we reminisced about the past. As we left, he and Jean walked out with us and we got a great picture to keep them in our memory! We will miss him. Condolences to Jean and all the family from all our family. Ernest and Pat Reeves
