“ *To the Blocker family:  
The comfort we humans offer is temporary, but the comfort from  
God our Father is everlasting. He has provided us with his written  
Word the Bible, that through the comfort from the Scriptures we  
might have hope.*

*My brother Chris and I spent a lot of time with Uncle Bill and Aunt Sue. We were at their house all the time during the summer growing up. They were like an extra set of parents. We always had fun there. I will miss his razor sharp wit and sly grin. He was well read, highly opinionated and great at verbal fencing. He was not a flatterer, but rather told it just like it was. You did not have to wonder where you stood with him.*

*Lord, I pray Uncle Bill is in your loving hands now and that you will provide strength and peace to those of us left on Earth, especially Wanda Sue, Billy and Jamie.*
