“ As I see this message a friend who has passed too soon ... I pray for the family and friends of those who were closest to Jeff ... I lived in Sopchoppy during my high school years and remember Jeff as we played football both in high school and as well as the lot by my grandmothers house beside the washateria in downtown Sopchoppy and behind the old Sopchoppy gym or playing sandlot basketball anywhere a goal was hung and making moves well before Michael Jordan made them popular Jeff and Lester both were always strong and very athletic and had a smile on their face like they knew something you didn't know I share this not having seen Jeff in many years and not knowing Jeff in his adult years nor do I even know the circumstances associated with his passing but I choose to share it because Jeff and Lester both were friends of mine and I have fond memories of both of them while growing up and I believe that sharing positive stories of those who pass and that were loved by many keeps them in our hearts forever ... May Gods little Angels comfort the hearts of those who will miss Jeff and may they keep us strong in our faith so someday we will meet again on that football field or basketball court and enjoy each other's company once again ...May Peace be with You All ...

WOW! This is unreal. I asked Trisha about Jeff last week and she told me he worked in at the Seinyard in Woodville. Praying for the family.
