“ Me, Rusty and Kevin was going to get something to eat. We get to Kevins car and it will not start. Kevin walks back up to garage while me and Rusty start messing with it under the hood. WE STARTED IT. So we jump in and take off lol laughing our heads off doing dounuts in the parking lot and driving past Kevin. We would still laugh about that how we fixed the car.Love u Rusty.

“ I miss you Mr Rusty Fowler. I missed you last week when I was thinking about what you would say to me about life right now. I missed you last month when my daughter started saying mama, I wanted you to meet her. I wish I would have told you how much I missed you while I still had the chance but life keeps us busy and out of touch. But I can say it now because I know you are watching down over us all. I know you wouldn't want us to be sad but rather happy of the amazing life we all got to share with you. You accepted me into your family with no prejudgements. You took me in with open arms and I knew from the first day I met you that I would love you. You have such a unique way about you, selfless and overjoyed. I promise you that I will always be there for your angel, Jessica Fowler. Even though we are miles apart I promise you, I will always be the sounding board and level head she needs and I will always love her and be her friend. I miss you Mr Rusty and I hope one day to see you again. Until then I cheers you and say Go Noles!!!
